Dear Mr. Matheson:

The Ted Cruz for US Senate (hereinafter "Committee"), FEC ID# C00492785, is in receipt of your Request for Additional Information (RAI) dated January 18, 2013 referencing the 30 Day Post-General FEC Report (10/18/2012 – 11/26/12). The Committee's response follows.

The committee has reviewed the transactions identified in the RAI for excess contribution limits. For each of the donors that are not resolved as a matter of course per the regulations relative to reattributions/redesignations on subsequent reports, the Committee will amend its reports accordingly to show the proper outcome of each transaction.

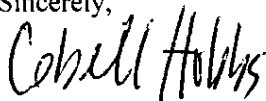

The committee will add memo transactions to the 30 Day Post-General report to disclose the original transactions received in a previous reporting period where a redesignation/retribution was completed during the 30 Day Post-General reporting period.

Additionally, the committee has reviewed the transactions identified in the RAI for permissible sources. The committee is in the process of verifying that the funds received from The Johnson County Republican Womens Club and the Rockwall County Republican Club are from permissible sources as outlined under 11 CFR 102.5(b). The committee will take the appropriate actions once the verification process is complete.

Contributions disclosed on reports that were marked as primary contributions but reported after the primary election were accepted to pay toward the portion of candidate loans not exceeding 250,000.00. The committee will review its reports to ensure that any redesignations completed for the primary election have been properly reported and will amend if necessary.

The list of transactions identified in the RAI that were received during the 48 hour notice period are under review and the committee will amend the applicable reports as necessary.

Sincerely,

Cabell Hobbs
Assistant Treasurer
